

Disaster Preparedness Personal Emergency Kit Contents

These items are meant to provide a feeling of comfort that comes with something "from home", as well as to help sustain your child during an emergency situation. You may like to include a short personal note or family picture.

Please ...

- Use a freezer storage plastic bag (the one-gallon-zip-lock type seems to work best).
- Enclose only the suggested items listed below. Each classroom must hold supplies for all students and the teacher. If everyone sent just one "extra" the available space would quickly fill up.
- Use a felt-tip marker and print in bold letters your child's name, room number and teacher's name on the outside of the bag.
- After filling the bag, tape it tightly closed.
- Do not staple bags closed.

Six Items for the Personal Emergency Kit

- | | |
|---|---|
| <ol style="list-style-type: none"> 1. The <u>Disaster Preparedness Form</u> (listed below). Place this in the bag so it can be read without tearing the bag open. 2. <u>One</u> old sweat shirt or sweater. 3. <u>One</u> small packet of Kleenex. | <ol style="list-style-type: none"> 4. <u>One</u> small packet of wet wipes. 5. <u>One</u> 6-ounce <u>can</u> of juice. 6. <u>Three</u> small snack packages - items that are commercially vacuum-packed such as granola bars, peanuts, beef jerky, lifesavers, fruit rolls, etc. |
|---|---|

Please - no extra items or quantities other than those listed. AND, no loose snacks or crackers that could be crushed, could spoil or could attract ants.
